**PhD DEGREE READINESS ASSESSMENT**

Student's Name: \_\_\_\_\_ ID Number: \_\_\_\_\_

Major Advisor: \_\_\_\_\_ Date of Examination: \_\_\_\_\_

The PhD Readiness Assessment Exam is taken during the student's first semester of work on the Ph.D. degree. The student's advisor and advisory committee examine his or her knowledge of all undergraduate subjects that the advisor and committee consider important either for the student's dissertation research or general education. The advisor and or committee are free to assign deficiency or recommended courses in any subjects they consider necessary.
